January 2006

Pacific AeroSport, LLC (PAS) is the **Northwest Regional** Symphony Aircraft Sales Agent and Authorized Service Center. Founded in May of 1999 by Christian Klix, PAS is located at the Arlington Airport in Washington State. With a staff of four and over 6,000 square feet of shop and office space, they are able to provide quality aircraft repair and maintenance with emphasis on aircraft sales and service.

Christian Klix has over 30 years of aviation experience as a pilot and mechanic. In addition to Chris' many accomplishments, he holds a Commercial Instrument SEL and Glider pilot ratings, A&P aircraft mechanic, FAA Inspector Authorization (IA), and General Radiotelephone Operator license. Chris's past employment includes Boeing Flight Line Avionics Technician, Glasair and GlaStar R&D Manager and company Board Member.
